

**Carolina Theatre Address**

310 S. Greene Street
Greensboro, NC 27401

Carolina Theatre – Parking Instructions

Because the Carolina Theatre is located in downtown Greensboro and has no parking of its own on weekdays, we want you to have information regarding parking.

BUSES

1. Buses unload at the front doors of CT on Greene Street, and bus drivers will be given directions to a parking area. Usually the buses will have to park at a shopping mall, & bus drivers will remain at the mall during the show. PLEASE BE AWARE THAT DRIVERS WILL NOT BE ABLE TO SERVE AS CHAPERONES. Drivers will be given a return time, and usually told the order in which they should return, in order to facilitate the students' exit from the theatre.
2. IF YOU ARRIVE EARLY, please do not unload your students until a staff person tells you to.

Please exchange cell numbers with your bus driver.

CARS & VANS

1. There is a parking deck on the corner of Washington and Greene, and metered parking on the street. (There is a change machine in the parking lot across the street.) The lot next to the theatre does NOT belong to the theatre, and the owners DO TOW.

ARRIVAL

1. Please check in with Theatre Staff who will direct you to your seats. Please fill in every seat, and do not save seats. Please have students get their seats before they use the restrooms.

SEATING

1. Seating is at the discretion of the CT Staff. We will have mapped out the seating area for each school based on the number attending for each school. Home Schools will have a pre-determined section. Please alert staff to students with special needs (in advance, if possible—see phone number below.)
2. HOME SCHOOL GROUPS may not seat themselves.

DEPARTURE

1. After the show please REMAIN IN YOUR SEATS. We will announce which school will depart next and through which door. (CARS & VANS will be dismissed first.)
2. If you need to have your students eat lunch before they get on the bus, arrange this IN ADVANCE by calling Debbie Hynes at 336/333-2600 x6.
3. NOTE: Please be aware that various factors (show runtime, traffic, weather) can interfere with your schedule. While we will try to work with you, we cannot guarantee your departure time.
