TEACHERS, please notify your bus and car drivers of the following instructions.

Please exchange cell numbers with your bus driver.

ARRIVAL

1. Buses will enter the property at the main entrance and proceed to the front of the building. All students will unload at that location.
2. Buses will then be directed to the side of the building for parking. Overflow parking for buses is across the street at Mount Zion High School.
3. Personal vehicles can park in any available parking spot in the parking lot.

DISMISSAL

1. Students will be dismissed from the side of the theatre and will meet the buses where they are parked.
2. It is suggested that the bus driver text or call the school contact to inform them of their location.
3. If buses are parked in the overflow location, students should remain in the building until the bus has arrived to the front of the building.
